

**i) The Particulars of its
organisation, functions
and duties**

The Punjab State Board of Technical Education & Industrial Training is an autonomous statutory authority created under "The Punjab State Board of Technical Education & Industrial Training 1992 Act" for regulating and controlling academic standards in institutes of Technical Education and for making admissions & conducting examinations in Polytechnics and Industrial Training Institutes.

AIMS AND OBJECTIVES

Punjab is predominately an agricultural state but with changing scenario in the country industrialization has taken fore front. With the industrialization the need for technical man power at various levels has increased many folds. Further, in order to provide employment opportunities for the people of backward areas., border areas and economically weaker section the Govt. of Punjab has established ITI's and Technical Institutes even in the remotest area of the state. The objective of the Board is to upgrade the quality of technical education by way of coordinating and evaluating the technical institutions by fixing yardsticks in terms of affiliation, examination and certification so that the quality of the technical education is upgraded.

ORGANIZATIONAL STRUCTURE

The Organizational Chart of the Board is on next page No. 2-(a)

Presently Sh. G.S. Cheema, IAS is the Chairman of the Board.

The day-to-day activities of the Board are looked after by the Chief Executive Officer who is also the Secretary of the Board. The Secretary of the Board is deputed by the government from amongst officers of PCS cadre. At present Dr. Amarpal Singh is the Chief Executive Officer of the Board.

The following officers of the Board assist the Chairman and Secretary of the Board.

1.	Registrar-cum-Controller of Exams	Dr. A. S Arunachala
2.	Controller of Exams (ITI)	Sh. Jagdish Singh Badhan
3.	Systems Analyst	Mrs. Ambica Chawla
4.	Controller (F&A)	Sh. M.C. Tiwari
5.	Director (Academic)	S. Narinder Pal Singh Lamba
6.	Admin Officer	Mrs. Sharanjit Kaur
7.	Dy Director (Academics)	Sh. Sandeep Bajaj

Annually Board handles about 70,000 students of Polytechnics and 25,000 to 30,000 ITI students of different trades. The students' staff ratio is approximately 1000:1 i.e. for every

1000 students in Polytechnic, the corresponding number of staff handling the examination work pertaining to the students is one. This ratio is very small as compared to other Universities and the Boards.

The Joint Entrance Test of the Board (JET) for admission to various diploma courses is conducted in the month of May and the admissions are made in the month of July. In addition to this the Board conducts the examination of Polytechnics (semester courses) in the month of May and December, ITI courses (annual) in the month of July and March.
