Subject: Delay in declaration of result of AITT under CTS held in July, 2015- Regarding.
Sir,

As you are aware that the AITT under CTS (Semester System) was held in July, 2015 and result of trainees admitted in the session 2014 has to be declared through NCVT-MIS Portal after uploading Sessional marks of **Semester-II** by concerned ITIs, Practical & Engineering Drawing marks by concerned State Directorate and OMR marks by DGT. You are well aware that the last date for uploading marks was **08.10.2015** but, it is very unfortunate that the marks uploading is still pending till date after long follow up by DGT, (Report attached). In absence of marks, the NCVT MIS Portal is not able to process & declare the result. Further, State Directorates can see their respective report on Semester Status at the link i.e. **MIS> Central MIS> Fixed Format reports> SPIU reports> Semester Status** in NCVT MIS Portal.

In view of above, you are once again requested to take work of uploading marks on top priority in order to declare the result of trainees, who appeared in AITT under CTS (Mentor Council) **Semester-II** held in July, 2015. The next exam process will start immediately if this work is completed in time. You are also requested to instruct the concerned Official and also ensure that the marks uploading work of Practical & Engineering Drawing and Sessional should be completed latest by **28.10.2015** and **both marks must be uploaded simultaneously by using only one template.**

Encl.: As above.

Yours faithfully
