Sir

with reference to the previous mail on the subject matter it is clarified that if the trainee is not having NCVT MIS generated Hall ticket at the time of practical but he/ she is registered in NCVT MIS portal and having NCVT MIS generated roll no. on which he/she has already appeared in previous exam may be allowed to appear in Practical Exam.

Now the MIS portal has been put in automatic mode for generation of pending hall tickets due to non eligibility.

ITI needs to complete all the hall ticket eligibility criteria requirements for regular as well as supplementary and system will generate that hall ticket in next night. After that ITI can download their pending hall tickets.

Also trainees registered in NCVT MIS portal as Private trainee from Private ITI are not allowed to appear in exam till they are converted in regular category.
