Subject :- Removal of Negative Marking in All India Trade Test (AITT) for ITI Trainees-reg.

Sir,

In continuation to this office letter of even no. Dated 30th January, 2018 it is suggested that wide publicity should be given about the information of removal of negative marking from all examinations with immediate effect from January, 2018 Onwards to all Stake holders i.e. Principals of ITIs, Instructors, Trainees , Examination supdt., Invigilators., etc. Further, it is informed that due to early printing of the question paper for AITT January/February, 2018 the instruction of negative marking is printed on the question paper before the decision of removal of negative marking but this instruction regarding negative marking should be now ignored .

You are therefore requested to ensure that this information is well displayed on the notice boards in ITIs, Examination Centres, Examination hall including Administrative offices. Also, all invigilators on duty should inform to trainees about the removal of negative marking in the theoretical papers well before the commencement of Examination. It is further informed that in case of any legal issue arising in this context due to improper dissemination of this information, the sole responsibility will lie with the concerned State/UTs Directorate / RVTIs/NVTIs in the matter.

In view of above you are requested to take suitable action immediately.

Yours faithfully

(Sunil Kumar Gupta)

Director(TTC)
