Subject: Request for Proposal - Development and Execution of Software for Payment Processing.

Punjab State Board of Technical Education and Industrial Training Chandigarh is in the process of enhancing our payment processing system for the registration and duty submission of officials involved in examination-related activities. To achieve this, we are seeking proposals from empanelled reputable banks for the development and execution of software to streamline our payment processes through a Web Module and Mobile App.

Objective: The primary objectives of the proposed system are to facilitate the registration of officials, submission of duties, approval/verification of duties and the seamless processing of payments. The system will enhance efficiency, transparency, and overall workflow associated with examination-related activities.

Key Features: The software should encompass the following key features:

1. Web Module and Mobile App for convenient access.
2. SMS integration for timely notifications.
3. Online Payment Gateway for secure and seamless financial transactions.

Proposal Requirements: We invite your bank to submit a comprehensive proposal that includes the following details:

1. Transaction charges for payment processing.
2. Recurring charges associated with the use of the software.
3. One-time Gateway Charges.
4. Any additional parameters relevant to accounting and financial transactions.

Timeline: We request that your proposal includes a timeline for the development, testing, and implementation of the software. Additionally, provide information about the training process for our staff.

Submission Deadline: Kindly submit your proposal by 20.02.2024 to PSBTE. Late submissions will not be considered.

We appreciate your attention to this matter and look forward to receiving your comprehensive proposal. If you have any questions or require further clarification, please contact us at psbteacct@gmail.com.

Your cooperation and interest in partnering with PSBTE &IT will be appreciated.
