29th April, 2020

Dear Chief Secretary,

I would like to draw your attention towards the fact that the COVID-19 pandemic is the defining global health crisis of our time and the greatest global humanitarian challenge the world has faced since World War II. Along with an unprecedented human toll, COVID-19 has triggered a deep economic crisis impacting all strata of the society.

2. Therefore, to guard the best interest of the students, I request you to send an appeal to all technical institutions including private technical institutes in your State/UT to avoid any hike in admission fees or other fees during the academic session 2020-21.

3. Further, to safeguard the economic interests of the faculty members and the supporting staff members, States may release their dues to the State. Institutions in order to ensure timely payment of salaries of faculties and staff by these institutions.

Regards,

Yours sincerely,

29.4.2020
