No. PSB/BOD/Re-check/ 1394

Dated: 14/08/24

To

The Principals,  
All Affiliated Institutions.  
Punjab & Chandigarh.

**Subject: Replacement of nomenclature of Re-checking to Re-totaling-Regarding.**

As per the subject cited above it is hereby informed that in pursuance of the decision taken in the 64<sup>th</sup> BOD meeting nomenclature of Re-checking has been changed to Re-totaling which is outlined below:

It has been observed that there is lack of clarity regarding the word Re-evaluation and Re-checking of the answer books being used by the Board at present. In case of Re-evaluation, the answer book of the student is re-evaluated again by a new examiner and the fees of re-evaluation is Rs. 1000/- per subject, whereas Re-checking means checking the total of marks awarded by the examiner, no part of answer(s) is left unmarked and checking whether the best attempt(s) have been counted while calculating total marks. Further the fees of re-checking is Rs. 200/- per subject.

It has been decided that the nomenclature of Re-checking will be renamed as Re-totaling. The other conditions for applying for Re-evaluation and Re-totaling (Previously known as Re-checking) will remain the same.
