Subject: **Withdrawal of registration/admission process to Aircraft Maintenance Engineering Diploma Course conducted by PSBTE & IT, Punjab.**

Dear Sir,

1. Punjab Aircraft Maintenance Engineering College is affiliated with PSBTE & IT for conducting 03 years diploma course in Aircraft Maintenance Engineering for which we have already applied for affiliation for the academic session 2018-19.
2. Our institute is now affiliated to Maharaja Ranjit Singh Punjab Technical University, Bathinda for admission of student in B.Sc. (Hons) in Aircraft Maintenance Engineering from academic session 2018-19.
3. Keeping in view the above, we would not be able to induct students for Aircraft Maintenance Engineering diploma course from academic session 2018-19 onwards. Therefore, you are requested to dispense registration/admission process of students for diploma course for our institute. However, affiliation of this institute with your board will continue for the students admitted during session 2016-17 and 2017-18 till the completion of their course.
4. This is for your information and necessary action please.
